

MARCH NEWSLETTER

EDITOR'S NOTE

Hello Life Reset members! Thank you all for working hard at our various events this month. We have many opportunities that we are proud to write about thanks to your dedication and passion to help our community. We hope that we can continue bettering our community and helping those in every way we can. Also, a special thanks to our officers and advisors who continue to show up and assist our members. They have contributed so much. Let's continue to work hard in April!

MARCH HIGHLIGHTS

3/16- Heal the Bay cleaning at The Korean Friendship Bell in San Pedro

3/23- Hope for the Hills Park adoption cleaning

There is an ongoing essay scholarship contest for Life Reset members, presented by Young & Dino Youth Scholarship. The essay topic is *Pressing Issues on Asian Americans*. Contestants can receive a grand prize of up to \$300. Other prizes include: 2 silver prizes (\$100), 4 bronze prizes (\$50) and 4 honorary mentions (\$25 Amazon gift cards). The deadline is April 26, 2024. We wish everyone entering goodluck!

HEAL THE BAY CLEANING KOREAN FRIENDSHIP BELL

On March 16 Life Reset Members worked together to clean the Korean Friendship Bell in San Pedro. The Korean Friendship Bell is a 17-ton gift from South Korea that celebrates the strong relationship between Korea and the United States. Students worked hard to clean the bell and the surrounding pavilion.

HOPE FOR THE HILLS ADOPTION CLEANING

Hope for the Hills park was named after the Hope for the Hills organization that convinced the California Public Utilities Commission to take down the 5-mile line of overhead transmission lines that cut through a residential area. May Lee, a sophomore from Chino Hills High School says "I was very excited to clean up the park because as a resident of Chino Hills, it is our responsibility to do so. However, there were some unexpected situations as there was a lot of heavy rain, but I'm grateful that we still had the opportunity to make an impact in our community. I am excited to make more changes in our community in the future as a Life Reset member!"

UPCOMING EVENTS
