EDITOR'S NOTE

Hello Life Reset members! Thank you everyone who volunteered to help our community this December. As we wrap up 2024, I want to thank you all for your incredible work in serving our community this year. I'm looking forward to see how we can continue to support each other and people outside who need our help. Let's keep it up and make 2025 an even better year!

DECEMBER HIGHLIGHTS

- God's Pantry 12/7
- Heal the Bay cleanup 12/14

GOD'S PANTRY

On the 7th, Life Reset members worked with God's Pantry, a food bank in Pomona. We worked 2 hours in shifts, handing out food to people around the community. There were many different grocery items like fruits, vegetables, and bakery products. All of us kept the smile throughout the day and worked hard to spread hope and joy.

HEAL THE BAY CLEANUP

On the 14th, we had our first Heal the Bay cleaning at Summitridge Park located in Diamond bar. Each student brought a paper bag and a picker to pick up the trash around the park. We worked our best to clean up the park as much as we could. It was a great opportunity to serve our community and make an impact.
